# ASSIGNMENT AND COLLECTION LAWS.

## ONTARIO.

**Arrest and Imprisonment for Debt.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of \$100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of *capias* so issued is the commencement of the action.

**Assignments.**—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

**Attachments.**—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit, of real or personal property, credits, or effects, not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

**Bills of Exchange and Promissory Notes.**—These are governed by commercial law as to days of grace, protest and notice, the Ontario Statute not varying materially in this respect. Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, “with interest at the rate of —,” the words “until paid” are added, the *named* rate can be collected till date of payment of note, otherwise, without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected. Notes must also have bill stamps affixed at the rate of three cents for every \$100 in amount. For every fractional amount over the even hundreds another three cent stamp must be affixed. These must be affixed at time of making, and obliterated by writing thereon date of month and year. An innocent holder getting an unstamped note may affix double stamps, but must write thereon actual date of affixing, and his initials. The note is then valid.

**Commissions.**—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court, a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

**Contracts of Married Women.**—Married women may contract and are liable on contracts to the same extent as *femes sole*, but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract, and at time of judgment. She may make

notes and is liable thereon subject to above qualifications.

**Chattel Mortgages**—Must be filed within five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

**Execution.**—Execution can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for thirty days longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments in division courts for amounts exceeding \$40 may be made judgments of the county court, and executions thereon issued against lands.

**Exemptions.**—The exemptions from execution are beds, bedding, and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles; all necessary fuel; meat, vegetables, fish, flour—not more than sufficient for ordinary consumption of debtor and family for thirty days and not exceeding in value \$40; one cow, four sheep, two hogs, and food therefor for thirty days; tools and implements of or chattels ordinarily used in debtor's occupation to value of \$60; bees reared and kept in hives to the extent of fifteen hives; no real estate.

**Interest.**—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

**Judgments.**—Judgments may be obtained during vacation by default only. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. In division courts in eleven days after service, if defendant resides in county where suit commenced, or twenty-one days, if defendant resides in another county than the one sued in. These judgments, of course, are judgments by default. In contested cases, from one month to three months. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—Superior courts unlimited jurisdiction; county courts up to \$400, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to \$200. In division courts upon any note, bill of exchange, or any debt or money demand, the balance of which does not exceed \$200, where the amount or original amount is ascertained by the signature of the defendant. In other cases, any unsettled balance, where it does not exceed \$100, and where such is a balance of an account not originally exceeding \$400. Notes and accounts are outlawed in six years from time they become due.

**Verification of Accounts.**—Verification is of no use and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

## QUEBEC.

**Assignments.**—Voluntary assignments may be made, but if a creditor does not become a party to the proceedings, his claim will not be discharged thereby. The insolvency law has been repealed.

**Attachments.**—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**Chattel Mortgages.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**Commissions.**—Commissions can issue from the circuit court and superior court.

**Contracts of Married Women.**—A wife, who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

**Execution.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Execution can only be stayed by opposition of defendant, supported by affidavit, which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day mentioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

**Exemptions.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value \$40. One cow, four sheep, two hogs and food therefore for thirty days: Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

**Interest.**—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

**Judgments.**—Judgments may be obtained all the year round, except from 10th July to 31st August, and a few days at the end of each month. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**Jurisdiction of Courts.**—Circuit court up to \$100; superior courts, all amounts above \$100; notes and accounts are outlawed in five years.

**Verification of Accounts.**—No verification is wanted; accounts and claims must be

proved out of mouth of defendant or by witnesses examined in court or under commission, if witnesses reside in States or are absent.

## NEW BRUNSWICK.

**Assignments.**—Assignments preferring creditors may be made.

**Attachment.**—No attachments.

**Chattel Mortgages.**—Chattel mortgages must be filed to be binding.

**Commissions.**—Commissions to take evidence do not issue from any courts except courts of record, the county and supreme courts.

**Contracts of Married Women.**—The contracts or notes of married women can be enforced in equity.

**Executions.**—Executions can issue immediately after judgment. The sheriff must return process on return days unless he has levied. Execution cannot be stayed by defendant unless he moves in arrest of judgment.

**Exemptions.**—Personal property to the value of \$100. No real estate.

**Garnishee or Trustee Process.**—This act only applies to judgments obtained in the county or Supreme courts, where the judgment, independent of costs, exceeds \$40. It has been held to apply only to judgments obtained since the passage of the Act, viz.: April 6th, 1882.

**Interest.**—Interest cannot be charged upon open accounts.

**Judgments.**—Judgments are obtained in county courts, if no defence, in thirty days, and in Supreme court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for fifteen years.

**Jurisdiction of Courts.**—Magistrates \$20, in tort \$8; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort (the act enlarging jurisdiction of this court comes into force June 1st, 1882); Supreme court \$400 and upwards. Notes and accounts are outlawed in six years from time due or from last payment.

**Verification of Accounts.**—It is not necessary to attest an account in order to put in suit.

## NOVA SCOTIA.

**Assignment.**—May be made as at common law; preferences are allowed. The insolvency law has been repealed.

**Attachments.**—Actions are not commenced by attachment. It is only a provisional remedy.

**Chattel Mortgages.**—Chattel mortgages must be filed in the office of the Registrar of Deeds to operate against third parties.

**Commissions.**—Commissions to take evidence do not issue from justices' courts.

**Contracts of Married Women.**—The contracts and notes of married women are not binding.

**Execution.**—Execution can issue immediately after judgment. Execution cannot be stayed by defendant except by special application to a judge, showing sufficient grounds. It can, of course, be stayed by creditor by instructions to the sheriff. The sheriff is not obliged to return executions until the expiration of sixty days from their date of issue.

**Exemptions.**—The necessary wearing apparel and bedding of the debtor and his family;

the tools and implements of his trade or calling; one stove, and his best cow. No real estate.

**Interest.**—Interest cannot be charged on open accounts, except by arrangement, or an established course of dealing in which it has been paid or acknowledged by debtor.

**Judgments.**—Judgments may be obtained during the vacation of court. They can be obtained in fourteen days after service, when defendant resides in the same county where writ is issued; in twenty-four days, when issued in another county; in thirty-four days, if defendant resides in Cape Breton, and writ issued elsewhere. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—The Supreme Court of the Province of Nova Scotia has concurrent jurisdiction with the county courts on actions *ex contractu*, where the debt or damages claimed amount to \$80, and do not exceed \$400. Notes and accounts are outlawed in six years from the time they become due.

**Verification of Contracts.**—It is useless and unnecessary.

DOMINION OF CANADA,

EVERY POST OFFICE AND RAILROAD STATION

And the Name of the Railroad on which every Place is Located, or the Nearest Railroad Station, with the  
DELIVERING EXPRESS COMPANY FOR EACH PLACE.

Copyright, 1882, by E. W. BULLINGER.

## EXPLANATIONS OF ARRANGEMENT, SIGNS, &c.

In the alphabetically arranged list commencing on page 11, will be found the names of all the Post Offices, and all the Railroad Stations in the Dominion of Canada.

The list should be read and used as follows:

**Caution.**—*If you do not find the place for which you are looking, try some other way of spelling the name, and look again. If you are looking for a Railroad Station, and do not find it, add the word Depot or Station to the name, and try again.*

All names printed in Roman type ("Abbott's Corners, Missisquoi, Que.") are Post Offices.

All names printed in *Italic* type ("Adams, Hants, N. S.") are not Post Offices, or are known to the Post Office Department by another name, as "Bolton, Cardwell, Ont." is "Albion P. O." It will be noted in regard to such places, having what may be called "double names," that they are Railroad Stations to which the Railroad Company and the Post Office Department apply different names; the *italic* is the Railroad Name, and at the Post Office will be found also the other name, as "Albion, Cardwell, Ont." is on Railroad No. 1136, and the "R.R. name" is Bolton.

The names to which a * is prefixed are **Money Order Post Offices**.

The numbers and names placed opposite every place (in second column) indicate the Railroad (by reference to List of Railroads on page 5), on which the place or the Nearest Railroad Station is located, as—

"Abbott's Corners, Missisquoi, Que." (page 11), the nearest Railroad Station is "Frelighsburg" on Railroad No. 1087, which list by on page 5, is the Montreal, Portland & Boston R.R.

"Abbotsford, Rouville, Que." (page 11) is a Railroad Station, and Post Office, on Railroad No. 1079, which by list on page 5, is the Champlain and St. Lawrence Division of Southeastern R.R.

"Amherstburgh, Essex, Ont." is on the Canada Southern R.R. (No. 1011) and on the Detroit River (No. 953).

The "Nearest Railroad Station" is (with very few exceptions) the Station from which the Mail is served to the place.

### TELEGRAPH OFFICES.

The X indicates that the place in the first column of the line on which it is placed, is a Telegraph Station. There are also a few Telegraph Stations which were not of sufficient importance to be either a Railroad Station or a Post Office, that we have omitted from our list, being unable to obtain sufficient particulars in regard to them from the Telegraph Companies, to enable us to locate them.
